

CURRENT LSCA FAMILIES,

We are so honored that you chose Lone Star Christian Academy for your child's academic and faith development. We have loved getting to know your child and partnering with you during these foundational years.

As we are getting ready for the upcoming 2020-2021 school year, we know that you have many questions in regards to scheduling and policies related to this current pandemic we are enduring. We are doing our best to make decisions based on current situations and state mandated policies and procedures; however, we ask for your patience as policies and schedules are subject to change. Please know that any changes in scheduling or school policies will always be made with the health and safety of our students and staff as our sole concern. At this time we will be moving forward with a tentative calendar and policies for the upcoming school year.

We are officially opening enrollment for the fall to our current LSCA families. Please keep in mind that the state has mandated that we lower classroom ratios as a health precaution; we encourage you to complete all registration requirements as quickly as possible to secure your child's spot. Rooms will be filled on a first come, first served basis. We will open enrollment to the public one week after we open enrollment to our current families; we will also create a waiting list for rooms that reach capacity.

We are so grateful for your patience as we navigate these uncharted waters, and we are excited about the upcoming school year. We will do our best to adapt as changes in our community take place and we will continue to strive to be a blessing to our families. Please do not hesitate to reach out with any questions you may have as you read through this information.

Love,
LSCA Management
