

CURRENT LSCA FAMILIES,

We are so honored that you chose Lone Star Christian Academy for your child's academic and faith development. We have loved getting to know your child and partnering with you during these foundational years.

As we are getting ready for the upcoming 2021-2022 school year, we wanted to give you the opportunity to review our updated policies and registration requirements.

We are officially opening enrollment for the fall, and we encourage you to complete all registration requirements as quickly as possible to secure your child's spot. Existing students will need to complete a new enrollment packet for the upcoming school year as state licensing has updated several of the required forms. Rooms will be filled on a first come, first served basis.

We are beyond humbled by the growth the school has experienced over the last few years, and we are so excited about the upcoming school year. Please do not hesitate to reach out with any questions you may have as you read through this information.

Love,
LSCA Management
